

BELLA

Medical device class I

LED

A very powerful LED examination light perfectly designed for minor surgery, dermatology and intensive care units. The flexible and resistant gooseneck that supports the lamp head as well as the ergonomic handle allow precise and intuitive positioning.

A second switch on the lamp head allows the brightness to be adjusted: 50 % / 100 % (option).

On heavy trolley base (1)

Watts	17 W equivalent to a 90 W halogen
Kelvins	4500° K
